Dr. Fasano to speak at January 15 meeting

Dr. Alessio Fasano is the featured speaker for our 9 a.m. general meeting Saturday, January 15 at the University of Arizona College of Pharmacy. (Please see map and directions on page 6). He will discuss new research relating to diagnosing Celiac Disease, providing information invaluable to health professionals as well as Celiacs in general. Don't miss this meeting!

Page five in this issue is an insert designed to be given to any health professional **you** know. Nurses, nurse practitioners, dietitians, nutritionists, chiropractors, mental health workers, physician assistants, doctors, dentists, pharmacists – in essence, **anyone** who provides **any** kind of health care – is our target audience. More aware professionals translates to more people being diagnosed.

DR. ALESSIO FASANO in his laboratory at the University of Maryland's Center for Celiac Research.

If you need more flyers, they can be downloaded and printed from our website at: www.SouthernArizonaCeliacSupport.org)

From his native Italy, Dr. Fasano came to the University of Maryland's School of Medicine in 1990 as a Research Assistant Professor in the Center for Vaccine Development. He is now Professor of Pediatrics and Director of the Mucosal Biology Research Center and Center for Celiac Research as well as holding the titles of Professor of

Physiology and Professor of Medicine.

No food is allowed inside the Auditorium at the College of Pharmacy, but a sampling of breakfast food will be set up in the lobby outside. If you can bring something, please contact Georgina Rubal at 481-4280.

The general meeting will start at 9 a.m., and Dr. Fasano will speak at 10 a.m.

(See invitation to Friday dinner for Dr. Fasano page 2)
